MARKETING BULLETIN 07-03

July 25, 2007

• MSC 1216J Model Discontinuance Notice •

By way of this notice, HCI does hereby announce that, effective immediately, the 1216J model vertical compressor will no longer be available for purchase. There are several suitable conversion options available for replacement. Please refer to Service Bulletin SB-39 for a full explanation of these options .

We thank you for your understanding in this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Stuart W. Glover", with a long horizontal flourish extending to the right.
