MARKETING BULLETIN 07-09

August 17, 2007

• D-Line Shaft Seal Discontinuance Notice •

By way of this notice, HCI does hereby announce that, effective immediately, the Shaft Seal Assembly Kit for 4 & 6 cylinder D-Line compressors (HCI Part# 054302A1) will no longer be available for purchase as key parts are no longer being manufactured.

The D-Line compressors have been out of production for many decades and parts are becoming increasingly difficult to obtain, and therefore, stock.

We thank you for your understanding in this matter.

Sincerely,

Stuart W. Glover
Marketing Manager
